Culinary Experience
ORGANIC GARDEN TOUR

Many of our guests wish to appreciate the organic origins of our dishes at Sol y Luna and to learn about their connection to traditional Andean cooking and culture. This pleasant, relaxed outing with our Chef to a nearby farm and the local market leads into the heart of Peruvian cuisine.

-
- Identifying native products
 - Experiential session with producers
 - Demonstration of ancestral agricultural techniques, irrigation systems, the agricultural calendar and rotation of crops
 - Nutritional properties of the products, uses and applications
