- PERÚ -

**Adventure Experience**  
**PARAGLIDING TANDEM FLIGHTS / HALF-DAY**  
**In the Sacred Valley**

From the hill tops of the Sacred Valley, we start a unique flight along with the birds that inhabit the skies of the Sacred Valley. Franz, a renowned paraglide expert and owner of Sol y Luna, will guide us on this unforgettable experience.

Our land team will drive you towards the accurate takeoff place where we arrive after approximately 30 minutes. It is the time to enjoy the views from the highest points in the Sacred Valley and to prepare the equipment for the adventure.

---

After a brief you will be ready to start the flight, an experience of a life time. According to weather conditions the takeoff will be done when the wind has the most favorable direction and speed. A success of the flight (about 30 minutes gliding over the Valley) is subject to this factor. If necessary we can try the flight a second time.

Our land team will be waiting at the landing site with some snacks and drinks at the end of the experience.
