SOLY
LUNA

ASSOCIATION

What does sustainable tourism mean to us?

“Connecting our hospitality business with the true culture and real people of the Sacred Valley.”
What are we doing? “Our inspiration and drive for Sol y Luna originates in thinking of the hotel as being part of a virtuous circle. This is the Andean concept of Ayni which means reciprocity in the local language and emphasizes mutual reliance on one another.”

Visiting options during the school term

FULL DAY

VISIT TO OUR INTERCULTURAL SCHOOL

SCHEDULE:

from 9:00 am to 3:00 pm
(6-7 hours approximately)

Guests can experience a guided tour to our Sol y Luna School, located just 200 meters from the hotel. On the visit we explain the thinking behind it and convey how we can all support and contribute to this very special project.

INCLUDE:

A souvenir certificate of your valuable contribution, with official recognition from the Peruvian government is included. There is also an option to buy yourself a lunch and accompany the schoolchildren during their lunch hour.

ITINERARY

09:00 am.

Introducing our project

Take a tour of the primary, secondary and special education premises (Paqari project) then see a presentation from the Sol y Luna Association, describing its objectives, history and current projects. It gives a fascinating insight into how the Sol y Luna School works, how it is managed and financed.

10:00 am. to 10:40 am.

Sharing time

It's playtime! While the children take a break, it gives us the perfect opportunity to mingle with them as they enjoy their games and activities for a duration of 30 - 40 minutes.

10:40 am. to 12:30 am.

Experience in the classroom

The children then go back into their lessons. Activities take place within the classrooms or the therapy rooms of the "Paqari" center (we recommend a max of 2 visitors per classroom). The visit will be tailored according to the curriculum and the profile of the visitors, to achieve the best experience for both parties.

12:30 pm. to 13:30 pm.

Lunch

A break for lunch is programmed. Visitors who wish to participate in the school lunch may do so as an optional extra.

13:30 pm. to 15:00 pm.

Afternoon classes

We continue with the classroom experience into the afternoon hours when the more enjoyable, dynamic and motivating work activities are scheduled until the end of the school day when the children depart the school and head home.

ALTERNATIVE EXTRA:

In the afternoon we can arrange an additional visit to a local family - this insider experience allows you to learn how people live by being invited into their homes.

Another alternative is to visit a foster home, a key part of our educational program as these families support children who live in the most remote communities, providing a temporary home during the week so they can be close to the school. All these experiences are important to understand the lives of the Sol y Luna children.

Visits are arranged in the best possible way to suit the daily curriculum and profile of visitors.

04:00 pm.**Children at home**

You will have the opportunity to visit a local family to see how and where the children stay during the week - these arrangements are for children who live in the most remote parts of the Sacred Valley, providing accommodation during the week so they can attend the school. Saying farewell.

The education offered at the Sol y Luna School, as well as the nutrition, healthcare, motivation, workshops and other initiatives that make it possible to achieve a prosperous life for these children, are made possible thanks to the funding provided by the Sol y Luna Hotel and the kind contributions of our benefactors.

It is necessary to take into consideration that these programs are not a commercial product; their purpose is to educate the wider world and inform our guests about the initiatives that we have developed.

It is of utmost importance that the families we visit and the children to whom we dedicate our efforts receive dignified treatment and respect, both in their family environment and in the development of their curricular program.

IMPORTANT!

The Sol y Luna Association is duly registered with the authorities of the Republic of Peru and authorized to issue tax-deductible donation certificates. Through The Bodhi Tree Foundation we can extend the tax exoneration for citizens of the United States of America.
