WELLNESS

Yacuvasi, Quechua for 'house of water,' our intimate spa wrapped in artful stained glass and local stone offers holistic relaxation between invigorating adventures around the Sacred Valley and excursions to Machu Picchu.

Native healing meets modern pampering as internationally trained therapists deliver rejuvenating massage, facial and hydrotherapy treatments incorporating organic, locally grown Andean plants and herbs.

SPA TREATMENTS

In three private, candlelit treatment rooms, Yacu Wasi spa offers a wide range of treatments complemented by aromatherapy and essential oils, and includes the use of the herbal sauna and steam room.

SCHEDULE:

From 12:00 to 9:00 pm.
We recommend booking your services with anticipation in order to ensure availability at the time that suits you.
