Adventure Experience
PARAGLIDING TANDEM FLIGHTS / HALF-DAY
In the Sacred Valley

From the hilltops of the Sacred Valley, we take off on a unique flight alongside native birds like the alcamari, quillicho and condor. Franz, a professional paraglide expert and owner of Sol y Luna, guides our guests on this unforgettably uplifting experience.

Our land team will drive you towards the takeoff place located around 30 minutes from Sol y Luna. It is time to enjoy the views from one of the highest points in the Sacred Valley and to prepare the equipment for the adventure.

After a briefing on the equipment and tandem flight safety, you will be ready for this experience of a lifetime. As your takeoff depends on the wind's direction and speed, weather conditions may require a second try before you liftoff on your serene, eye-opening glide over the Valley. Your gravity-defying journey typically lasts around 30 minutes, though you will remember it for the rest of your life.

Our land team will be waiting for you back on the ground with snacks and drinks before we return home to Sol y Luna.
