Adventure Experience
HORSEBACK RIDING / HALF DAY TOUR

Known for their docile nature, Peruvian Paso horses offer a comfortable, relaxed way to explore this ancient Land of the Incas.

After a short orientation, we set off on horseback along rural paths, across small villages and communities neighboring the hotel. We take our time to experience the famously smooth gait of Peruvian Paso horses.

As we travel, we are transported into the Sacred Valley's rural lifestyle, meeting villagers as they cook, herd cattle and till their fields. Like this, we respectfully interact with them and glimpse at their daily rhythms.

Our ride continues, following mostly rural routes back to the Sol y Luna stables.
