Adventure Experience
ALL TERRAIN VEHICLES / FULL-DAY
The plateau of Chinchero and Maras

Kick up some dirt as your off-road vehicle rolls along mountain trails past fields of indigenous flowers crisscrosses overhead in the blue sky by kaleidoscopic birdlife. Take in breathtaking views over the Sacred Valley and wave hello to farmers tending their crops as we zoom across this exhilarating landscape.

These versatile ATVs allow us to venture far off the regular tourist path, where we find astonishing landscapes and glimpses of vibrant, everyday life in this region.

We leave by van for Piuray Lake, near Chinchero, where our ATVs are waiting. After a brief informational orientation on ATV operation and safety, we begin our adventure on easy terrain to familiarize ourselves with these vehicles.

Our off road vehicles bring us to the textile weaving communities of Cuper and Corcor, with their amazing views of the Vilcanota Mountains. We ride across fields to Moray, where we meet some of the inhabitants who farm different varieties of potatoes and other tubers.

Moving on to our second lake called “Huaypo”, we’ll arrive at an idyllic setting for a leisurely waterside lunch. In the afternoon we continue to the Moray archeological site, famed for its circular terraces, where we suggest you spend some time exploring. From there, we proceed to the ancient saltpans of Maras, where we end our excursion.
