# DISCOVER MACHU PICCHU

I loved this property. I loved the staff. The gardens are gorgeous and the trout and fresh salad dishes amazing. I loved the breakfast with prickly pear, fresh rolls and eggs made to order. The wine list was also good with options from several different countries and regions. This is definitely a family friendly property but there is also privacy for those who seek it. There are so many birds, butterflies and hummingbirds that it feels like paradise.
