Adventure Experience
HORSEBACK RIDING / HALF-DAY TOUR

Known for their docile nature, Peruvian Paso horses offer a comfortable, relaxed way to explore the Land of the Incas.

Explore the local landscape and meet and greet villagers as they go about their daily lives, cooking, herding cattle and tilling their fields.

After a short orientation, we set off on rural paths through the small villages and communities neighboring the hotel, whilst learning about the famous smooth gait of the Peruvian Paso horses.

Our route follows mostly rural tracks offering a relaxing way to explore the local scenery before returning to the hotel stables.
