

# THE SACRED VALLEY AND SURROUNDING NEIGHBOURHOODS

Tours on Horseback\_Half day

This three-hour excursion on horseback offers an excellent opportunity to explore the Sacred Valley and to witness first-hand local communities going about their day to day lives.

Guests will meet villagers and see them cooking, herding cattle and tilling their fields, working in much the same way as their ancestors have done for centuries.

The ride begins on a network of rural paths which run through villages and settlements close to the hotel. Guests can familiarise themselves with their horses and learn about the famously smooth gait of the Peruvian Paso as they continue along country tracks winding through the charming local scenery. A break for snacks and a rest is enjoyed halfway through the ride, before guests continue the journey back to the stables.

A Peruvian hat or equestrian helmet plus saddle bags are required. This is an excursion suitable for children over 7 years old, with minimal riding experience, although please note there is a maximum weight of 220 lbs / 100 kg per rider. Times may vary depending on conditions. As the safety of our guests remains our top priority at all times, we reserve the right to change the route as and when necessary.
